

## TDIC WELLNESS CENTRE

Abu Dhabi, U.A.E

### Building Type

Leisure & Hospitality

### Size

2,000 m<sup>2</sup>

### Estimated Construction Cost

AED 16,000,000

### Project Highlights

- Estidama 2 Pearl rating
- Sauna
- Jacuzzi
- Steam Room
- Luxurious changing rooms with chilled showers.

### Architect / Client :

BSBG / TDIC

Adjacent to Westin Hotel and a part of the Abu Dhabi Golf Club, the Wellness Centre is TDIC's first purpose built, stand-alone gym building.

Mario Associates provided the engineering, design and Green Consultancy required for the 2 Pearl Estidama rating required for this project.

For the specialist Wellness Centre equipment like Sauna, Jacuzzi, Steam Room etc, Mario Associates provided the full infrastructure requirements and provided necessary guidance to architect/ID for all architectural & structural special requirements for these areas.
